

# Working with Inspectors

On-Line Electrical – 8 hours

**COST: \$99.00**

***Successful completion of this course results in an ABC certificate and is accepted as Continuing Education towards renewal of a California electrical license.***

**TO REGISTER:** Call or email Continuing Education at (858) 513-4700 or [continuinged@abcsd.org](mailto:continuinged@abcsd.org).

**Payment:** Your tuition will be covered in full if you qualify with Training Funds; otherwise, a credit card will be required for the full tuition.

**COURSE DESCRIPTION:** Working with Inspectors teaches electricians how to work effectively with electrical inspectors by providing information about why and how inspectors do their work, and what electricians need to know to be able to communicate with inspectors.

**Key topics include:**

- Inspectors and the NEC
- Basic blueprint reading literacy
- Basic communication skills

The course then provides five scenarios in which students must apply their new skills and knowledge to analyze and negotiate solutions for red tags on commercial and residential electrical installations. The course concludes with an exam, to ensure students have retained their new knowledge and skills.

**Journeyman prerequisites:** This course requires strong familiarity with the NEC and at on-the-job experience of at least two years.

**IMPORTANT TO NOTE:**

- Students must pass the final exam to earn credit for this course.
- All course hours must be completed within 90 days of purchase to receive credit.
- A 2020 NEC book is required for this course (and not provided or included in the tuition).
