ABOUT THE COURSE

Successful completion of this course results in an ABC certificate and is accepted as Continuing Education towards renewal of a California electrical license.

This self-paced online course is for students preparing for the California Fire Life Safety Technician certification exam. *Fire Life Safety Exam Prep* guides students through the National Electrical Code (NFPA 70) and National Fire Alarm and Signaling Code (NFPA 72), focusing on practical research and sample testing.

Ideal for those nearing the exam or journeyman electricians seeking to expand their knowledge, this course emphasizes effective subject indexing to improve exam speed and understanding of the field.

TOPICS INCLUDE:

- Subject Indexing in the NFPA 70 and NFPA 72
- Review of Several Key NEC Articles and NFASC Articles
- Review of CAL/OSHA Pocket Guide for the Construction Industry
- Ohm's Law Review
- Kirchhoff's Law Review
