

APPRENTICESHIP

ENTRANCE TEST PREPARATION

Prepare for the **Associated Builders and Contractors APPRENTICESHIP ENTRANCE TEST!**

- **SELF-STUDY** - Search the Internet for 'free preparation questions for McGraw Hill TABE' (Test of Adult Basic Education) and review the practice problems in basic reading and math.

Here are a couple websites with practice problems:

- http://tabetest.com/PDFs/TABE_11_12_Reading_E.pdf
- http://tabetest.com/PDFs/TABE_11_12_Math_E.pdf
- The San Diego Community College District, Continuing Education, offers independent learning labs for basic reading and math. See more information on page two.

APPRENTICESHIP programs provide a unique combination of paid on-the-job work experience and classroom instruction. These programs require the applicant to have a High School Diploma or GED and a passing score on an entrance test.

Programs offered through the San Diego Associated Builders and Contractors require the following score levels on the TABE entrance test:

<u>Reading</u> <u>Grade Level</u>	<u>Math</u> <u>Grade Level</u>
496 or more	501 or more

*Electrical apprentices must also show that they have completed an Algebra course with a grade of "C" or higher. Algebra credit may be earned at many of the continuing education learning centers listed on page two of this flyer.

For more information contact the Associated Builders and Contractors at (858) 513-4700 or go to www.abcsd.org.

SAN DIEGO COMMUNITY COLLEGE DISTRICT
