2026 ANNUAL SPONSORSHIP OPPORTUNITIES

MEMBER DRIVEN | MEMBER STRONG

A large yellow tower crane is shown against a clear blue sky, lifting a red weight. In the background, a multi-story building under construction is visible.

**CELEBRATING  
50 YEARS!**

To pledge your 2026 Annual Sponsorship, contact our marketing team:

[emily@abcsd.org](mailto:emily@abcsd.org)

# DEAR MEMBER:

ABC San Diego (ABCSD) is pleased to invite you to participate in our 2026 Annual Sponsorship program as we celebrate our 50th anniversary. For five decades, we have worked to advance workforce development, build strong industry connections, and advocate for the merit shop and our members. We deeply appreciate your support and invite you to further that impact by partnering with us as an Annual Sponsor.

Annual Sponsorship offers meaningful visibility and value for your company while directly supporting the programs and services that benefit our members, students, and industry partners. Our five sponsorship levels offer tailored benefits for your company, from increased brand exposure and marketing opportunities to deeper engagement with contractors, suppliers, and associates across the region.

To be included in the 2026 Annual Sponsorship program, please confirm your commitment by **January 22, 2026**. An early pledge helps us recognize your support appropriately and plan effectively for the year ahead.

We appreciate your consideration and look forward to partnering with you in this milestone year.

Sincerely,

**Steven Cabaj**  
Electronic & Telecom Systems

## COMMUNITY

In our construction membership community, we place a significant emphasis on promoting a strong sense of community because we firmly believe that collaboration, support, and unity are the cornerstones of success.

## ADVOCACY

At ABC, we are dedicated to fighting politically to support contractors like you. Our Free Enterprise Alliance is committed to advocating for the rights of free enterprises and promoting fair and open competition.

## EDUCATION

By offering educational programs, workshops, certifications, and seminars, we equip its members with the latest industry trends, best practices, and technical know-how, enabling them to stay competitive and excel in their respective roles.

## SAFETY

We prioritize safety in construction as our utmost commitment and core value. We firmly believe that every individual deserves to work in an environment where their well-being is safeguarded at all times.
